

JAWAD SHAIKH

Frontend Developer | BCA Graduate
Mumbai, Maharashtra | Email: jawadshaikh6565@gmail.com | Phone: +91 9322778915

PROFESSIONAL SUMMARY

Motivated Frontend Developer with hands-on experience in building responsive web applications using React.js. Self-taught in Data Structures and Algorithms with Java programming. Eager to leverage technical skills to contribute effectively to a development team.

TECHNICAL SKILLS

- React.js
- JavaScript
- HTML5
- CSS3
- Java
- Data Structures & Algorithms (Self-taught)
- Git
- Responsive Web Design
- UI/UX Principles

PROJECTS

Amazon Clone Website

Frontend Development Project

- Developed a responsive e-commerce website clone with user authentication, product listing, cart and checkout
- Utilized React hooks for state management and created reusable components with CSS Grid/Flexbox for responsive layouts
- Integrated mock API calls to simulate backend interactions

Data Structures & Algorithms Implementation (Self-taught)

Java Programming Project

- Self-taught DSA concepts and created a library of data structures in Java including Arrays, Linked Lists, Stacks, Queues, and Trees
- Implemented sorting and searching algorithms with complexity analysis

EDUCATION

Bachelor of Computer Applications (BCA)

Little Flower College, Tilak Maharashtra Vidyapeeth

2022 - 2025

- Completed coursework in Programming Fundamentals, Database Management, Web Development, and System Analysis
- Self-taught Data Structures & Algorithms outside of curriculum

LANGUAGES

- English:** Professional working proficiency (Actively improving to fluency level)
- Hindi:** Native proficiency

ADDITIONAL INFORMATION

- Actively solving DSA problems on LeetCode and HackerRank; following web development trends through tech blogs
